

**Production Area:**

The smooth hills located in the South-West part of Sicily gently caressed by the sea breeze.

**Grapes:**

an interesting combination between a typical Sicilian grape : Grillo and the Vermentino recently planted in the Isle.

**Colour:**

luminous golden yellow. Bouquet: good aromatic intensity with gentle tropical fruit notes.

**Taste:**

uniquely gathers minerality and fruit concentration in a long lasting experience

**Service:**

always well chilled.

**Food suggestion:**

it is magic to be sipped with friends but it is obviously excellent with fish and Mediterranean salads
